

Jordan Studio Barbell Rack (Holds 30 sets) Black

£598.80

Product Images

Short Description

This large Jordan Studio Barbell Rack will hold up to 30 sets and is black (you can get grey!) It will help keep your gym floor tidy and organised and allows members easy access to the bars and discs.

The rack measures 160.5cm in height, 192.5cm in length and a 73cm in width. It also has an optional accessory tray add-on which fixes to the bottom of the rack and creates storage for all your collars. 12 set storage rack also available.

Please note the barbell sets are not included.

Body Pump Bar Storage Racks

If you are a gym owner or run body pump classes and need somewhere to store all your bars and discs after sessions then this body pump bar storage rack is the perfect solution. It can store up to 30 of our Jordan coloured pump sets and 25 alternative sets. It is sturdy and durable and makes all the bars and discs easily accessible.

Please contact us if you require a smaller rack or require prices for individual or bulk sets.
