

Physical Clamp Collars (2 Inch Olympic)

£10.74

Product Images

Short Description

An intuitive simple clamp design allows you to quickly add and remove the collar with ease. Designed so that the hard plastic collar gives strength whilst the inner rubber pads grip onto the the bar tightly, minimising movement of your plates during use.

They come in a black finish and are sold in pairs. Designed to fit 2" Olympic Bars, they are also available in 30mm (available on the site or if unsure what you need, just call us)

Description

2" Olympic Clamp Collars.

The simple clamp design allows you to quickly add and remove the collar with ease. The hard plastic collar

gives strength while the inner rubber pads grip the bar tightly keeping plates from moving. Available in black sold in pairs. Further Description: Fits 2" Olympic Bars
