Short Description

The multi adapter is a handy attachment for the NOHrD wall bars designed to give you increased functionality. Simply hook it onto the wall bars to perform a whole new range of bodyweight exercises such as dips, pull ups and press ups. Incredibly easy to add to your existing setup and hand made in Germany, the multi adapter is a must have accessory for the wall bars.

NOHrD Wall Bar Multi Adapter

The multi-adapter is suitable for use with the 10 or 14 wall bar options and comes in a choice of Ash, Club, Cherry or Walnut wood finishes. Just make sure the wall bars are secured to a solid wall and you can perform a huge range of exercises. The wall bars will perfectly compliment existing WaterRower products or will act as a real head turner in your gym with their retro design.

Please note, the multi-adapters are often in stock but sometimes the lead time can be up to 6 weeks. Please contact us for the latest availability.

Wall Bar Multi-Adapter for NOHrD Bars

Roll back the years with this fun and eye-catching piece of equipment that allows you to perform a wide range of bodyweight exercises. The wall bar multi-adapter is an essential attachment for those who want to perform dips, chin ups and push ups. Manufactured in Germany, the multi-adapter can be used with the 10 or 14 bar NOHrD wall bar models.

Attaching the multi-adapter takes a matter of seconds and it opens up a whole new range of exercises to help you get fit and tone up. Not only do the wall bars look great, they are available in ash or walnut wood finishes (other wood finishes available on request) and 10 or 14 bar options.
