### PU Body Pump Set / Studio Barbell

Made from tough yet tactile Polyurethane (PU) , this is our premium, adjustable pump set which is designed to stand up to the toughest workouts you can throw at it. The polyurethane coating ensures that this is a very durable and hard wearing set whilst also having the ability to reduce the amount of scratching of floors bars usually cause.

The beauty of a BodyPump set is that you can adjust the weights attached to the ends, meaning you can tailor the workout to the user more easily. As a beginner you can start with the lighter weights and then progress through by adding more weight to the bars. With the following discs that you can add to the bar : 2 x 1.25kg; 2 x 2.5kg; 2 x 5kg; you also get the 30mm bar along with the two quick-lock collars to keep the weights on the bar.

### Key Features

- 6 PU discs of varying weights
- Comes with 30mm hollow carbon bar - max load 37.5kg
- Includes two 'Quick-Lock' collars
- 3 integrated ergonomic handles on discs
- Warranty - Discs - 2 years - Bar and Collars - 1 year

Additional discs and/ or 1500mm Solid Bars for heavier loads (up to 60kg) available.
