## Short Description

---

Whether you run circuits, body pump classes or outdoor groups, these rubber studio barbells are a stylish way to workout.

## 12 Sets of Rubber Studio Barbells

All discs are colour coded for easy identification on the gym floor and the rack provides the simplest way to store all the barbells. Each bar will hold 17.5kg of weight discs if using all 12 sets and the anti-roll design makes them great for studio use.

High quality, colour coded weight discs make up these Ignite Pump X rubber studio barbell sets. Perfect for any gym or health club they give you 17.5kg of weight on each bar and have an anti-roll design to prevent the bars rolling around the gym floor.
