Short Description

If you are looking for "best in class", the Core Fitness Mat comes in 2 colours in the 10mm thickness and with or without eyelets for storage. This Core Fitness 10mm mat is ideal for Pilates, floor exercises and for those on the move as it rolls up easily. Measuring 182cm in length and 58cm in width it will provide adequate support when lying down.

Why This Exercise Mat?

Well made using NBR closed cell foam which offers excellent cushioning and memory. The 10mm mat weighs slightly over 1kg meaning it's light enough to carry around especially as it's supplied with a removable carry strap. The 10mm comes in two colours and also with eyelet options for hanging on the wall. An adjustable mat holder is available if required.

A 10mm Pilates Mat

A comfortable and cushioned exercise mat for home or commercial venues, this 10mm Core Fitness mat is well suited for floor exercises, yoga or Pilates and stretching post-workout. Made from the NBR closed cell foam means it's easy to wipe clean after a workout.
