Description

Exigo FID Bench

If you require a heavy duty weight bench that is adjustable for incline, decline and of course flat, then this model could be just what you are looking for. Exigo's commercial grade equipment means it will last for a very long time and will prove to be a great investment whether you are buying a bench, rack or one of the strength machines. This free weight bench is fully adjustable and will cope with any demands placed on it whether in your home or at the gym.

Adjustable benches are great for homes and for smaller studios where having separate benches is just not feasible. This is a robust and well built bench that will last the test of time. Stable and rigid, you will get little or no movement from the bench during your exercises - perfect for enabling you to create a solid foundation for your exercise.
