

Align Pilates C8-Pro Pilates Reformer

£2,249.00

Product Images

Short Description

Introduce a pilates reformer to your home or home gym and see the instant benefits. The C8 Pro is the latest reformer in the C-Series from Align Pilates and takes all the best bits of previous models and adds a few more to make it even better. You can add a range of accessories as well as a half or full cadillac as a bundle too.

Why Choose the C8-Pro?

A sturdy and hard-wearing reformer, you benefit from a superb 106cm of travel for the carriage, 8 x PU wheels for a smooth and quiet travel and the carriage itself is oversized making it more comfortable to use. The new Rapid Change spring bar allows for simple spring bar changes and there's all round adjustability too. This is a top of the range reformer for a great price.

Key Features of the C8-Pro

Creating an update version of a similar model allows to keep the best bits and add more features and increase specifications.

- Huge 106.5cm travel distance
- Carriage wide and large - 58cm x 92cm
- Rapid Change spring bar - easy and quick
- 5 nickel plated music wire springs for resistance (2 light, 2 medium and 1 strong)
- Lockable foot bar positions with 4 positions including flat
- Removable rope risers with up to 7 height positions
- Align-Pilates 'Silent' system
- Metal-free double loop handles, ropes & foot strap and silent pulleys
- Improved 3 position headrest
- Anodized aluminium runners with a 8 PU wheel carriage

Which Accessories?

All available to purchase separately, they are back compatible from earlier C-Series models.

- Jump Board for C-series
- Leg Extensions (raise the bed height to 42cm)
- Half Cadillac frame (bracket required)
- Full Cadillac frame (brackets required)
- Mattress insert for C Series reformers
- Platform extender for C series Reformers
- Pro Rope Adjusters (for enhanced rope adjustment)
- Frame Sitting Box
- Sitting Box
- Neck Pillow

Differences C8 Pro Reformer Vs C2-Pro RC Pilates Reformer

- C8 has 8 roller blade style PU wheels for quieter ride, lower maintenance
- C8 has over sized foot bar for an even more solid feel
- C8 is 2cm higher off the ground (standard) improving comfort
