Product Images

Short Description

The mighty leg press machine - one of the most popular machines in most gyms. The Spirit 35 Pin Select Seated Leg press offers a good 140kg weight stack in a full commercial piece. The Spirit 35 Pin Select range is a high quality affordable solution across the range of 25 selectorised machines all with quality steel frames.

Choosing Your Seated Leg Press

Designed to keep working out as easy and simple as possible, this seated leg press ensures easy access and smooth pressing action from the lightest weight up to the full 140kg. Forward hand grips also help with easy entry and exit from machine. The cables are commercial-grade and the upholstery is also good quality.

The Spirit Seated Leg Press comes with the large footplate that has anti-slip finish and the easily adjustable position of the gas assisted seat, forward and back, users can set this perfectly to perform not only leg press, but calf raises also.
