

# Inspire CFT Commercial Functional Trainer

£2,999.00

## Product Images

## Short Description

---

The Inspire Commercial Functional Trainer first and foremost has been designed around its fully commercial warranty. Offering the most versatile dual pulley trainer and a small footprint, it's ideal for a range of venues including [home gyms](#). The heavy duty steel frame features an electrostatic powder coating for the black and red colour scheme ensuring it's durable and long-lasting.

The Inspire CFT comes with the multi-grip pull up bars and the dual height adjustable pulleys, you also get two 95kg weight stacks - one each side. Add to that the attachments and accessories that come with the trainer and you have a superb all-in-one dual pulley and functional trainer system from a market-leading brand.

# Why Choose The CFT?

You may have already considered the [Inspire FT2](#) or [Inspire FT1](#), but also want the reassurance of the full commercial warranty - this is where the commercial functional trainer fits in.

The CFT Functional Trainer offers a superb dual pulley functional trainer, along with the accessory rack and the pull up bars you can get an all-round workout whilst not having to worry about multiple pieces of kit around your gym. With a 232 degree range of motion for the swivel pulleys and the 35 positions you can use in exactly the right position for the exercise as well as your height. Talking of which the CFT stands at 2.3m tall - so is perfect for larger and taller users.

Designed to fit in a corner - they have also built in the rotating accessory kit feature which includes :

- Dual Hook Curl Bar
- Dual Hook Straight Bar
- Triceps Rope
- 2 x Deluxe D-Handles
- Sport Handle
- Multi-Purpose Belt
- Water Bottle Rack
