£3,495.00

## Product Images

## Short Description

With a superb range of motion, high quality parts and the Spirit Fitness know-how, this 35 Pin Select Hip Abductor/Adductor machine can really help you with your strength, toning and mobility of your hips. As a dual machine you can also use to save time for your workout - as simply switch from one exercise to the next. This machine comes with adjustable settings that ensures it will fit a wide variety of users. With an ergonomic

design that includes premium upholstery for the thigh pads, it ensures a comfortable workout position. With a weight stack that goes up to 110kg it is easy selectable via pin.

## Using Dual Machines

The Hip Abductor and Adductor machine is a classic dual machine offered in selectorised ranges. Easy for users to perform both exercises back to back, it saves on space whilst allowing your customers to focus on muscles they would normally not isolate through exercise.

For any commercial gym, the floor space is a premium. This dual selectorised machine offers superb quality at a great price point. Part of the 21 model range that is the 35 Pin Select, it has a low stack height, stylish dary grey finish and the exercise action is smooth for all pieces.
