

Exigo Olympic Multi Adjustable Bench

£1,674.00

Product Images

Short Description

For a multi-functional pressing station the Exigo Olympic multi adjustable bench is a superb choice. Built to withstand the rigours of everyday use in the most demanding environments, this system allows you to perform bench presses and other exercises with ease. It solves the problem of having to buy individual Olympic benches to perform flat, incline or decline exercises. Simply adjust the bench to perform presses at different angles.

The Olympic Multi Bench

Manufactured here in the UK, the Exigo Olympic multi adjustable bench is very hard wearing and offers excellent value for money. You can choose between a range of frame and upholstery colours to suit your tastes and it can be branded with a logo if required.

Description

Bench Press with Adjustable Bench

This awesome bench press with adjustable bench, bridges a gap in the market and allows you to perform a range of exercises on one piece of equipment. With the 7 different bench positions from decline, flat to incline and the weight plate storage and bench guide rail it's a superb buy for anyone interested in their fitness.

Lay the bench flat, at an incline or at a decline and perform presses safely and comfortably. It really is a multi-functional product that combines 3 Olympic bench stations in one. A great choice for any gym where floor space is limited, we are sure that it will prove a wise investment and form a key part of your strength routines.

Key Features

- True multi adjustable bench and rack
- 7 positions of adjustment (-5 to 80 degrees)
- Spot platform for added safety
- UK designed and manufactured
- Lifetime Frame Warranty
