

Spirit Fitness CU800+ Upright Bike

£2,495.00

Product Images

Short Description

The ever popular exercise bike is the go to for most home and commercial gym users. A great way to warm up or warm down, plus introduce a low impact cardio workout. The Spirit CU800+ upright exercise bike is a commercial bike that's accessible to all.

Whilst ensuring that users can reach whatever goals they set, the Spirit CU800+ upright bike has an easy adjust, dual spring seat and multi-grip handlebars for a comfortable riding position. With a sturdy frame and heavy-weight flywheel this bike offers excellent performance and reliability.

Choosing the CU800+ Bike

With a revised look and a bright white LED console on the Spirit Fitness CU800+, you can easily benefit from all the features in order to maximise your workout. With great performance analysis and workout information at your fingertips, it is the same console that's used across the range of Spirit 800+ Commercial products ensuring you can easily switch between cardio options and continue your training.
