

# Supaflex Power Band - Level 5 (Red)

£37.00

## Product Images

## Short Description

This SupaFlex power band is an excellent multi-purpose resistance band. Whether you are looking at jump training, speed training, strength training or rehabilitation, choose your band (Level 1 to Level 5) to provide yourself with varying amount of resistance. This level 5 band which comes in red is the strongest band we have available. Use the SupaFlex with other equipment in order to increase the resistance for key exercises.

The SupaFlex power bands are available in five colour coded sizes and the wider the band the more resistance offered. Please note this product does contain Latex.

## Description

---

### Level 5 Supaflex Power Band in Red

Part of a range of resistance bands that are colour-coded for ease, this is the Level 5 Red Power Band. Great for home use, they are multi-purpose as they can be used in conjunction with other equipment to provide more resistance.

Whether you want to focus on agility drills, jump training, speed training, strength training or for rehabilitation, resistance bands like the Supaflex Power Band are perfect for most users. The wider the band the more resistance offered.

We think they should be an essential part of your home gym equipment as they are easy to use, easy to store and are cheap to buy. As stated, there's five colour-coded sizes from Black (Level 1) through to Red (Level 5). They also have a maximum safe-stretch that's close to 150% of original size. This product does contain Latex.
